

# CFE ALUMNI CATALOGUE

INSTITUTE OF CERTIFIED  
FRANCHISE EXECUTIVES

## Congratulations to CFE Alumni

As a Certified Franchise Executive (CFE), you belong to a very special institution! Because of your involvement in this unique union, you are invited to make the most of this Alumni Directory, which lists your colleagues, the individuals who have been awarded the prestigious CFE designation. Started in the mid-1980s by a number of IFA Board Members, the program offers continuing education linking professional advancement and raising the standards of franchising thereby providing long-term benefits to the franchising community.

The ICFE program provides expanded knowledge, industry recognition, peer-level networking and professional credentials to successful candidates. I am very pleased to report that in the past two years enrollment in the ICFE program has more than tripled, with more than 1000 individuals now certified or working toward achieving their CFE designation resulting in an increase in graduates of approximately 75% since 1997. We are fortunate in the franchising community to have the opportunity to continually improve, educate and advance our way of conducting business. By becoming certified as a franchise executive, many doors are opened but most importantly, the status of franchising itself and that of its members is greatly enhanced.

On behalf of the ICFE Board of Governors, I wish to congratulate those individuals who have received their CFE designation. We wish you the very best as you continue to pursue your career goals and professional advancement.

Sincerely,

A handwritten signature in black ink, appearing to read 'Geoff Hill', with a long horizontal flourish extending to the right.

Geoff Hill, CFE

- 
- Prior to 1995 the ICFE Board granted the CFE designation to individuals who were grandfathered into the CFE program. In addition, the ICFE Board has granted Honorary CFEs to a number of individuals. Since 1995, the ICFE Board has stopped the practice of grandfathering and has limited the granting of Honorary CFEs.
