Members of the U.S. Senate

## Dear Senator:

The Coalition for a Democratic Workplace (CDW) and the 20 undersigned organizations urge your support for the nomination of Crystal Carey to serve as the General Counsel of the National Labor Relations Board (NLRB). Carey is well-qualified to serve and will be an asset to the Board in this role. We urge your support for her nomination.

CDW is a broad-based coalition of hundreds of organizations representing hundreds of thousands of employers and millions of employees in various industries across the country concerned with a longstanding effort by some in the labor movement to make radical changes to the National Labor Relations Act without regard to the severely negative impact they would have on employees, employers, and the economy. CDW was formed in 2005.

Carey has had an illustrious career in labor management relations. She deeply understands federal labor law, and her career experiences, which include nearly a decade of service at the NLRB, have enabled her to look at the issues from multiple perspectives. She is well qualified to take on this role, and she will help steer the NLRB towards common-sense application of the National Labor Relations Act.

CDW and the undersigned organizations urge your support for – and the quick confirmation of – Crystal Carey to serve as NLRB General Counsel.
