- Franchising spans **300 industries** and provides **\$907 billion** in economic output for the U.S. economy.
- **64% of franchisees are first-time business owners**

About the IFA:

Celebrating over 60 years of excellence, education, and advocacy, the International Franchise Association (IFA) is the world's oldest and largest organization representing franchising worldwide. IFA works through its government relations and public policy, media relations, and educational programs to protect, enhance and promote franchising. IFA members include franchise companies in over 300 different business format categories, individual franchisees, and companies that support the industry in marketing, law, technology, and business development.
